Statement

Major schemes and programmes implemented for promotion and development of small scale industries in the country, including Maharashtra.

SI No.	Name of the Scheme/ Prgramme	Objectives	Details of implementation in Maharashtra
1.	integrated Infrastructural Development (IID) Scheme	Assistance is provided to State Governments/Implementing Agencies for setting up/upgradation of industrial estates for SSI units, upto 40% of the cost or Rs. 2 crore, whichever is less. For the North Eastern States including Sikkim, Jammu & Kashmir, Himachal Pradesh and Uttaranchal, this assistance is upto 80% of the cost or Rs. *4* crore, whichever is less.	One IID Centre at Yeotmal has been set up with the Central grant of Rs. 2 crore. Another IID Centre at Sangavi, Distt. Satara has been sanctioned recently.
2.	Small Industry Cluster Development Programme (SICDP)	This programme aims at holistic development of industrial clusters, *i.e.*. agglomeractions of SSI units producing the same or similar type of products at a particular location. The development needs of such clusters are identified through a diagnostic study. Action plan is prepared for deveioprris-nt of cluster in respect of the felt needs in are&s like technological upgradation, marketing and export promotion, skill development, creation,of common facility centre, etc. The scheme is implemented through the Field Institutions under the Ministry of SSI, in collaboration with autonomous institutions engaged in the promotion of small scale industries.	Development of basic drugs cluster at Thane, Navi Mumbai has been taken up at a project cost of Rs. 3.5 lakh including Rs. 2.9 lakh as Government of India contribution.
3.	Credit Linked Capital Subsidy Scheme lor Technology Upgradation (CLCSS)	Under the scheme, 12% capital subsidy is granted on loans upto Rs. 40 lakh for technology upgradation.	67 SSI units have been provided term loan of Rs. 2523.53 lakh. On this term loan, Central Government provided subsidy of Rs. 197.40 lakh.
4.	ISO9000/1SO 14001 Certification Reimbursement	Cost of obtaining (SO 9000 Certification by Small Industries is reimbursed to the extent of 75% or Rs. 75,000 whichever is lower. The	1202 small scale units have benefited under this scheme in Maharashtra.

Sl. No.	Name of the Scheme/ Prgramme	Objectives	Details of implementation in Maharashtra
	Scheme	objective of the scheme is to improve the marketability of the SSI products by enhancing their quality.	
5.	Credit Guarantee Fund Scheme	This scheme provides guarantee cover upto 75% of credit (term loan and working capital loan) extended by banks and financial institutions to new and existing SSI units on loans upto Rs. 25 lakh. The scheme is administered by the Credit Guarantee Fund Trust for Small Industries (CGTSI) and the member lending institutions (banks, etc.) of CGTSI.	599 proposals were approved for guarantee cover for aggegate credit of Rs. 38.58 crore.
6.	Sub-Contracting Exchanges for Ancillary Development	This scheme is to assist industry associations to strengthen their capacity for securing better marketing opportunities for the member SSI units. Under this scheme, one-time grant of Rs. 4.7 lakh is provided for procurement of capital equipment for setting up of sub-contracting exchanges by industry associations and non-governmental organisations. In addition, matching grant is also provided to meet the running expenses on a tapering basis not exceeding Rs. 1.25 lakh, Rs. 0.75 lakh and Rs. 2.5 lakh respectively during the first 3 years.	6 Sub-contracting exchanges have been set up in Maharashtra by non-governmental organizations/industry associations with the financial assistance of Central Government.

Amount allocated to SSI

3851. SHRI E.M. SUDARSANA NATCHIAPPAN: Will the Minister of SMALL SCALE INDUSTRIES be pleased to state:

(a) the total amount allocated to Small Scale Industries as a percentage of Gross Domestic Product (GDP) during the Tenth Five-Year Plan;

(b) the amount to be allocated for the Eleventh Five-Year Plan; and

(c) the steps that are being taken by Government to increase the total allocation to this sector as this can go a long way in solving the unemployment problem?
